

Nombre _____

Repasa las líneas y une los puntos.

Tracing practice consisting of 10 rows. Each row contains four identical zigzag patterns. Each pattern starts with a solid horizontal line from a white circle on the left to a black dot on the right. From the black dot, a dashed line goes up to a white circle, then down to a black dot. From that black dot, a dashed line goes right to another black dot. From that black dot, a dashed line goes up to a white circle, then down to a black dot. From that black dot, a dashed line goes right to another black dot. From that black dot, a dashed line goes up to a white circle, then down to a black dot. From that black dot, a dashed line goes right to another black dot. From that black dot, a dashed line goes up to a white circle, then down to a black dot. From that black dot, a dashed line goes right to another black dot. Each segment has a small arrow indicating the direction of the stroke.
